INSTALMENTS

Your municipal tax bill is payable in three instalments by the deadlines indicated below:

1st INSTALMENT:
no later than the 30th day following the sending of the account

2nd INSTALMENT:
no later than Tuesday, June 18, 2024

3rd INSTALMENT:
no later than Wednesday, September 18, 2024

Please respect the provided deadlines and note that no reminder will be sent. Municipal tax bills under \$300 are payable in a single instalment at the latest on the 30th day following the sending of the account. If payments are not made on time, interests and penalties at a combined rate of 13% are applied to the amounts due, from the due date.

METHODS OF PAYMENT

Regardless of the method used, allow sufficient time (two or three days) to avoid interests and penalties charges, since the payment will be recorded on the day of its receipt by the City.

ONLINE PAYMENT

Online payment via your financial institution's Web site is the most efficient and secure way to pay your municipal taxes and is strongly favoured by the City. Be sure to include your payment reference number on the right of the payment slip. This is an 18 digit numerical sequence. Select "Ville Vaudreuil-Dorion" from the list of suppliers. If you own more than one account, you must register a payment reference number for each of the accounts for which you are making a payment.

IF YOU CAN NOT USE ONLINE PAYMENT, THE FOLLOWING OPTIONS ARE AVAILABLE.

In a financial institution, at the counter or at an automated teller machine (ATM)

Make sure that the number registered with your financial institution corresponds to the payment reference number on the right of the payment slip.

By mail

All checks must be made payable to Ville de Vaudreuil-Dorion. Make sure to write, on the front of the check, payment reference number on the right of the payment slip.

At the counter of the Finance and Treasury Department in City Hall

Main floor of the City Hall, located at 2555 Dutrisac Street. You may pay in cash, check or debit card. Credit cards are not accepted. Make sure to bring your tax bill. If you are paying by debit card, please ask your financial institution about your daily direct payment limit beforehand.

Mortgagees

If you have an agreement with your mortgage institution for the payment of your tax bill, it will be indicated in the lower right-hand corner of the payment slip. If your mortgagee's name does not appear on your account, you must contact them to ensure they make your payment. Your mortgagee may ask you to provide a copy of your tax bill. No receipt will be issued for your mortgagee or for you. If the account includes arrears, it is the owner's responsibility to pay and ensure that the mortgagee makes all payments on schedule.
