

Les Trois Accords to open Le Festival de cirque Vaudreuil-Dorion

Vaudreuil-Dorion, March 30, 2023 — Forget all the snow we've been getting lately. Soon enough, the sun and warm weather will be back, along with the event that many of our citizens look forward to every summer, *Le Festival de cirque Vaudreuil-Dorion* (FCVD). Next June 23rd, festival-goers will again come to *rue Jeannotte* in droves to gather around the Festival's main square to sing along loudly with the very unique and popular group *Les Trois Accords*.

Four years following the release of their album *Beaucoup de plaisir*, which was a huge success both on the radio and on tour with an impressive series of sold-out shows, the band, originally from Drummondville, will be in town to present its new show PRÉSENCE D'ESPRIT. True to form, the musical group described its new opus as follows: "PRÉSENCE D'ESPRIT is a very inside album... It was written inside, performed inside and recorded inside. We are beyond astonished to see that it sounds good outside as well." It's a sure thing festival-goers will enjoy a special journey as they enter the band's unique universe of crazy lyrics and catchy melodies.

Le Band de la Cité will once more be appearing on the Festival's stage to open for the main event. The band, composed of former students of *Cité-des-Jeunes* high school made its first appearance at the FCVD in 2013. Those who have seen them perform truly appreciate them for their festive, diverse and 100% Québécois repertoire.

"Last year marked the return of *Le Festival de Cirque* following the two-year pandemic with a performance by *Les Cowboys Fringants*. It was an unforgettable moment for all those who attended. The Festival's 17th edition promises to be just as memorable with the presence of *Les Trois Accords*. When the group last performed at the FCVD in 2019, it was simply incredible to hear the crowd screaming and singing along with the band to the sound of *J'aime ta grand-mère*. There is no doubt in my mind that the crowds will be back to hear them again this year!" said Mayor Guy Pilon.

The 2023 edition of *Le Festival de Cirque*, which will take place on June 23rd, 24th and 25th, will feature free shows, street entertainers and of course the traditional rides. Citizens are invited to follow the Festival's activities on its Facebook page and its website at festivaldecirque.com as shows taking place on June 24th for *La Fête nationale* and on June 25th are expected to be announced in the coming weeks.
